

ATTENTION IDAHO FARM WORKERS

State and federal laws require most farm labor contractors to:

- Register with the state;
- Pay workers at the wages they were promised but never less than \$5.15 an hour;
- Provide written statements of earnings and hours worked;
- Provide worker's compensation coverage;
- Transport employees in vehicles that are properly insured, meet federal and state safety standards and operated by licensed drivers;
- Provide access to sanitary drinking water, bathrooms and facilities for washing hands;
- Make sure any housing that is provided meets federal and state safety and health standards.
